Nie Klepper and wife returned Thursday evening from their visit to Iowa and Illinois.

Albert Obenhaus returned from his extended visit with his brothers at Dodge City Sunday.

J. H. Werries put in a new piano last week. It is a great improvement over the phonograph that has been doing services so long in the smoke house. The Leader force now enjoys the music immensely.

Miss Helen Dessen and Mr. Tony Schmidt were joined in holy bonds of wedlock Tuesday morning by the Rev. Father Emmerich at St. Joseph's Catholic church, at 8 o'clock, A. M.

Miss Dessen is the accomplished and beautiful daughter of Mrs. Mary Dessen of this city, and has been raised in this community and has a host of friends here. The groom is a promising young farmer from Cunningham, Kansas and has a bright future.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. With out that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, lead breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Miss Iris Pierce who has been visiting friends here the past week, returned to her home in Newton Sunday evening.

Hoisington

Dispatch 21:

A son was born to Geo. Speck and wife Sunday night.

Miss Toot Jacobs who has been very sick is improving.

A daughter was born to Mr. and Mrs. Frank Eveleigh on October 8th.

Mr. and Mrs. Lowry who live on the old Medberry ranch are the parents of a daughter, born on the 19th.

Cards are out announcing the marriage of Miss M. Ethel McGinnis to Mr. Earnest Lewis which will take place at the McGinnis home October 27, 1909.

The first football game of the season was played here last Saturday with Little River, resulting in a score of 15 to 0 in which the visitors were shut out.

Clarence Elmore has decided to quit school and go to work in the bank to learn the banking business. He has been studying law at the Denver University, but returned home the last of the week.

Lindsborg lost for the first time in 3 years to Hoisington yesterday on the latter's ground by a score of 6 to 0. The game was a good sample of open playing, the forward pass being used almost incessantly for good gains at times and large losses at other times.

At the University last week Miss Lucile Barrett of our last year's graduating class was chosen a member of the Masque Dramatic Club and given a part in a play which is to be presented this fall. There were seventy who tried for parts in the play and Miss Barrett was one of the seventy chosen.

Word has been received that Uncle Jimmy Carr is dangerously ill at the home of his niece at Stella, Nebr. Mr. Carr disposed of his property and left here nearly two years ago to make his future home with his niece. He was one of the earliest residents of Hoisington.

It was a shock to the people of Hoisington Saturday noon to hear that D. W. Milner has expired at 11:40 as but few knew that he was sick. He inhaled considerable dust while beating a carpet on the preceding Wednesday and that night had a dust chill and the next day was under the doctors care. He grew rapidly worse until he died Saturday of congestion of the lungs.

Deceased was 31 years old and leaves a devoted wife, two small daughters and a number of relatives to mourn his loss.

At 7 o'clock last evening, at the home of Mr. and Mrs. J. C. Lowry occurred the marriage of their daughter Lena to Leroy Humphrey. Rev. J. T. Wilks of Nekoma performed the ceremony.

The couple were attended by Miss Ella Lowry and Mr. L. R. Wagler of Abbeville. After the happy couple had received the congratulations and best wishes of the 100 guests present, all partook of refreshments. Many valuable presents were received.

Mr. and Mrs. Humphrey are two of the most highly respected young people of this vicinity and we join their many friends in extending congratulations.—Hoisington Dispatch.

Mr. and Mrs. Will Cook of Hoisington were in the city Friday.

Mr. and Mrs. Otto Hagen and little son came up from Comanche township Friday of last week. Mrs. Hagen and son remained at the hospital in this city, for the purpose of having a surgical operation performed on the little boy's feet.

Mrs. Housewife:—There's a Happy Medium in Everything

Anything that is overdone or underdone is not good. This is especially true of baking—and it is just as true of baking powder. If you use the cheap and Big Can Kinds you are getting quantity at the sacrifice of quality. It cannot be as good—or as economical as Calumet—the medium price kind. If you use the High Price Kind, you are paying tribute to the Trust—the quality is no better.

The Cheap and Big Can Kind

In this can you get more substance but not more baking powder. It is great in quantity only—not in economy—not in satisfaction.

Here's the "Full Value" in BAKING POWDER

Calumet, in the Standard 1 lb. can, sells at a moderate cost—but is great in all round satisfaction. You use less of it—it makes the baking lighter, purer—more delicious. One baking will prove its superiority—try it. Ask your grocer and insist on Calumet. Free—large handsome recipe book. Send 4c and slip found in pound can.

Calumet Baking Powder Co., Chicago

The Trust Kind

Great in price, little in quantity and the quality is no better—4c per lb.
